JET BIKE SIMULATOR
FEATURES SIMULTANEOUS TWO PLAYER ACTION
24 exciting racing circuits
'Absolutely Brilliant! The fastest newest form of aqua-sport. Fantastically realistic and infuriatingly addictive. Includes an Expert version, a 2-player option, realistic power-drifting, and aqua speed jumps. Carve up your friends over 24 exciting racing circuits . . . lakes, coasts, and docklands. Amazing Value. Buy it. You won't regret it!'

CONTAINS TWO CASSETTES

MUSIC BY JON PAUL ELDRIDGE
Codemasters now present a whole new dimension in value-for-money video games. Our PLUS range games come in special double packs, bringing you two cassettes full of stunningly sophisticated programming.
Once you have mastered the standard game, you can move up to the expert version, which contains extra challenges for even the best games players.
Two cassettes, four different sides!
Side 1 Standard game
Side 2 Expert game – for the real pro's
Side 3 Extra courses: Coastlines
Side 4 Extra courses: Docks
Weave your way around the islands and under the bridges. Avoid getting caught up in the deadly weeds. Take your jet bike flying over the aqua jumps.
Compete against a friend in a 2-player head-to-head game. Computer controlled drone bikes included.
See your victories (and failures!) with the action replay option.
Incredibly playable!!!
